EU population policies
ettore marchetti
european commission

Working age population : EU-27 old-age dependency ratios, under four retirement age assumptions (60, 63, 66, 69)

Growing diversity

**Net immigration:
+0.3% / year**

**Citizenships:
+700K/year**

**Residence permits:
+ 2M / year**

**Short-term stays
up since 2000**

Source: Eurostat population projections

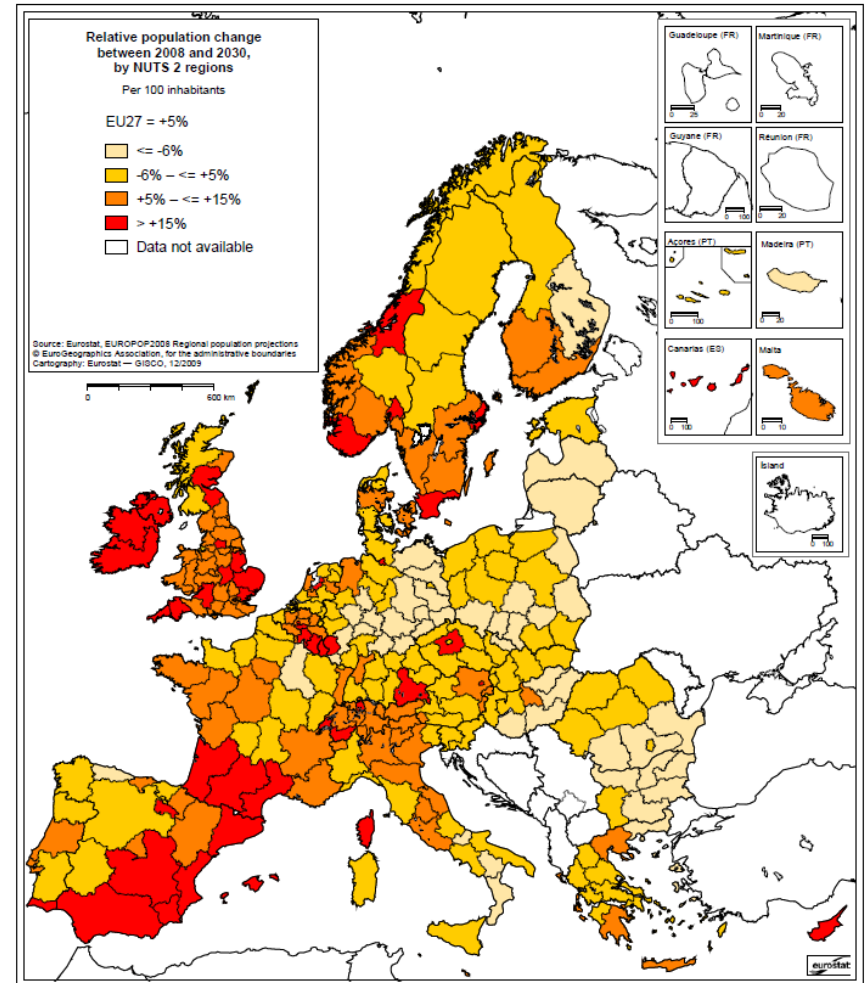

Regional Population change

**Impact of the freedom
of movement**

**Role of the regional
funds**

**Copying with shrinking
and ageing**

Map 1: Relative population change between 2008 and 2030, by NUTS 2 regions
